 <p>The image shows a red 8-channel high definition video player. The front panel features a silver disc on the left, a small LCD screen displaying '00:00:25' and '30 fps', and a control panel with buttons. Eight vertical slots are visible, each containing a red HD card. The text '8 Channel High Definition Video Player' is printed at the bottom.</p>	 <p>The image shows a red multi-channel high definition audio/video player. The front panel features a silver disc on the left, a small LCD screen displaying '00:00:25' and '30 fps', and a control panel with buttons. Eight vertical slots are visible, each containing a red HD2 card. The text 'Multi-Channel High Definition Audio/Video Player' is printed at the bottom.</p>
